Thank You Volunteers!

Pictured to the left are a group of volunteers from the Ekaterinberg Church and on the right are volunteers from the Perm Church. All help NHOM reach the orphans, widows and elderly centers. We have many other volunteer groups in America, Ukraine and Sri Lanka that help us reach the hopeless in areas that have been forgotten by man but not by God.

Love God and Love Your Neighbor as We Love Ourselves

As many of you who have heard me preach you realize that God has allowed me to share about the two commandments "Love God and love your neighbor as yourself." It is very easy for me to love the orphans, elderly and widows as they are starved for someone to love them. I, like you, have many questions I would like to ask the Lord and I really don't have a lot of answers as to why things are the way they are.

We visited a handicapped orphanage in the Perm Region. There were 220 kids here, most with mental disorders ranging from fairly minor to serious problems. We had a wonderful time sharing and hugging the kids. Almost all raised their hands for salvation. I recognized some of these kids from the last time I visited about two years ago.

Our tendency is to avoid the hurting because we don't know what to do or say. I recently talked to my friends Ron and Ruth Pomerantz who have a son who was born with Downs Syndrome. This same son, Zack, recently went through extensive chemotherapy for leukemia and is now in remission after months of hospitalization. Through all of this they have set a standard for me and my family as they realize that all they have gone through is God's will in their lives. They don't always understand God's ways and they are great people of faith. Ruth told me the one thing she longed for during her many hours and days at the side of her son, was that of loving fellowship from her Christian friends. Just someone to give her a call on the phone, an e-mail message or a visit, in other words loving your neighbor as you love yourself.

I look at all these kids and the many handicapped orphanages we visit and their handicaps and see how dependent they are for help and wonder why God allowed this to happen and then it came to me. These kids are the way they are for many reasons two of which are:

1. God wants to teach us how to love our neighbors and these deserted fatherless children are just another means for us to demonstrate our love by tending to their needs. The elderly, sick, blind, crippled, hurting people of the world are simply opportunities for us to go and love God and our neighbors. We can not say we love God and not love our neighbors. We can not love our neighbors by avoiding them. Love is an action word and requires action by us to those with great need.

2. It also allows us to demonstrate our love of God when he says, "When you have done it to the least of these you have done it unto me."

If we will just take time to look around I believe we could see those with great needs and God wants us to demonstrate His love through us to them. The loneliness and isolation that the hurting experience because we don't take the opportunities God gives us to demonstrate His love is sometimes deplorable.

I remember holding the hand and praying for a dying orphan at an orphanage as he looked at me in the waning moments of his life and said to me, Thank You. No one should be without the opportunity to be loved and that is why God created you and me, to love God and to love our neighbors.

Many of the children and adults we work with have seen some horrible things in their lives. Beaten, abused, forsaken, deserted and left to die or fend for themselves these are the ones who God wants us to reach with His love. These are the rejects, the down and outers, alcoholics, prostitutes, murderers, sinners these are the ones that need the Master Physician and you and I are the ones who must introduce these hurting folks to Jesus.

Boys & Girls

We serve all kinds of children and adults. What a blessing to be able to give them hugs and tell them about our precious Lord and Savior Jesus Christ.

If you are fatherless you have a deep empathy for these whose fathers, mothers and family members have simply left them to fend for themselves.

If you have or had a loving father you can remember the good times and great memories of growing up and the blessings

your dad was to you. Unfortunately the kids we work with for the most part do not have good memories or no memories of a loving father.

I have been to many orphanages and so many times I have had these kids hug me and not let go. Many have asked if I would be their father as they have wept in my arms? They are just boys and girls looking for something they have never had and are willing to accept and try to please anyone who will offer them love.

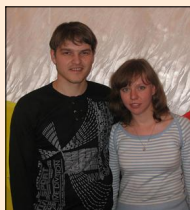

That is why it is so important for us to reach them with God's love before Satan reaches them with a false love. With your help we can do so much more.

With your continued help and support we can and are making a difference in many of their lives. We have established Sunday Schools and preaching points in many of the orphanages

we work with. Places where not only the children but adults can come and receive practical, Godly help from trained and skilled workers. Proverbs 31:8-9 NLT says; "Speak up for those who cannot speak for themselves; ensure justice for those who are perishing. Yes, speak up for the poor and helpless, and see that they get justice." Won't you help us fulfill this command by praying for us and assisting us where you can?

Prayer Requests

1. Pray for the safety of our workers in Sri Lanka. Civil war and terrorists has devastated the area around Jaffna. There have been over 200,000 flee this area in the last six months. Our workers have had to dodge bullets and bombs to get their jobs done. They desperately need us to intercede for them.
2. Pray for the work that is taking place in building a new church, Bible school and center in Sri Lanka for widows and their children.
3. Pray that God would grant traveling mercies for all of our teams as they encounter some of the vilest of road and trail conditions.
4. As prices continue to escalate at home and overseas pray that God would continue to provide for essentials in the need of our teams and the ministry.
5. Pray that God would continue to give our teams favor with the orphanages, widows and elderly homes.
6. Pray for the men and women pictured at the top of this page and the over 100 volunteers in Russia and Ukraine that help in this ministry. They are daily on the front lines of Spiritual warfare. They work tirelessly in some of the most extreme conditions with some of the most unlovely people and they do it with great joy.
7. We are in desperate need of a good van in both Perm and Odessa.

Graduation!
It has been my privilege to finally graduate from Covenant Bible Seminary in Lakewood, WA with my Masters Degree in Biblical Studies and an Honorary Doctor of Divinity Degree. Thank you for your prayers.

Evelyn's Corner

I am so thankful for God's faithfulness!

In 2006, I found out I was iron deficient, anemic and have a pre-leukemia blood disorder. At this time both are treatable with medication. They tell me there is no cure but God. PTL!

I tire easily and sometimes would get the "poor me's" but God always pulls me out with His words of truth. He always gives me the scriptures I need right at the right time.

In September, 2006 He spoke to me from 1 Peter 5:10 saying, "After you have suffered a little while, I will restore, support and strengthen you."

In January, 2007 at a women's conference I was once again crying out to Him and He said to me, "I want to do a new thing." I reminded Him I don't like new things. The next day the speaker shared from Isaiah 43:15-19. God says He wants to do something new in you.

In March, my doctor said I could go to Russia and Ukraine on the May trip. As he was leaving the room my doctor said, "The Lord is with you."

A few weeks later on a Sunday morning I was feeling very tired, I said, "Lord, I must be crazy, how do I think I can go to Russia and the Ukraine? I am so physically exhausted?" The church we were ministering in on that Sunday morning, right in the very front of their bulletin were these words from God to me.... Isaiah 40:31 But those who trust in the Lord will find new strength. They will soar high on wings like eagles. They will run and not grow weary. They will walk and not faint." NLT

God is faithful! I did go to Russia and Ukraine. When I got tired I had to rest in the Lord. He did renew my strength. PTL

My heart is in Russia, Ukraine and Sri Lanka and I love the people. I love the children. I love to watch what God is doing in the orphanages with our team members, and I love to watch how God is using us. God is faithful! He is my strength! Thank all of you for praying for me, us and our teams. You are such a blessing and we could not do it without your help.

Sri Lanka 2008 **January / February**

This continues to be a trip for the hearty. We visit areas that are difficult and sometimes dangerous. The need in this war-torn area is overwhelming. We will visit displacement camps, orphanages, churches, widows and see the jungles and beauty of this nation.

Ukraine / Russia 2008 **May / June**

This will be a combination trip. You can take the full three week trip that includes Ukraine and Russia or you can take a two-week trip that only includes Russia. Either way you will get a big blessing as you hug the kids that are waiting for you in the orphanages.

Russia 2007 **September & Possibly December**

We continue to expand into more and more orphanages. Currently we are working with many thousands of orphans and the work continues to expand. Come and hug these that are so desperate for love. Visit the fatherless and widows with us.

It is possible that I could visit another Nation in December.
