We All Had Joy!

It was great to bring our teams from America, Odessa, Ukraine, Perm, Russia and Ekaterinberg, Russia together and watch them work and learn from each other. Each pitched in and brought their talents together to minister great joy to the orphans and widows. Our time together is so precious. You

can see by the pictures that we all were blessed. We used puppets, music, balloons, interactions, the Word of God, stories, testimonies, tricks and everything else to present the Gospel. One of the most important things we have is time and how we redeem our time. Our time was spent with

those who are desperate for someone to visit them. To take a few moments and listen to them. The seniors at left wept with tears of joy as we spent time to minister to them. When we prepare to leave the orphans and elderly we always give them a hug. Rarely does one turn down a hug and usually there will be tears of joy attached to that hug. Your giving and praying helps bring a little joy into these that have gone through so much heartache.

These orphans and widows think they have nothing to give yet I can tell you first hand, we always receive more from them than they receive from us. Please continue to pray for them and us.

Sri Lanka Report by Pastor Mohan

We report that we have 7 Sunday School locations in villages that have no churches. We have a total number of 275 children and adults in these Sunday Schools and we have 14 teachers ministering to these souls. We have conducted 2 teacher training programs this year and all our children will be coming together to pray for our Nation. We are hoping to have a children's worker camp in August.

Odessa Ukraine Report by Viktoria

Our team constantly widens its work and now with God's help we have a number of volunteers who serve the orphans and elderly. We have a team of hairdressers that serve the children and staff of the orphanages. We have teams which prepare programs and present them to orphanages when they are not working their jobs. We have a theatre of puppets we maintain for different shows. We present the Gospel to all. We have people who present the program "ANTI - AIDS". They tell children about this awful disease and the reasons of its emergence. We have a team of sisters who cook different sweets and cakes for the kids. We have brothers and sisters who started Sunday's schools at the orphanages and teach children there. We have a pray team at our church which constantly prays for our trips to the orphanages. We have a team of screenwriters. They write scripts for our programs in orphanages and nursing homes. There are more than 100 people who volunteer to help our team. We thank God for this work He gave us and ask that you pray that God would expand our work. We agree with God's Word, "That none should perish, no not one." Thank you, John, Evelyn and all New Hope people.

India Report by Philip & Gladys

We have 3 seasons in Chennai, hot, hotter and hottest. Right now we are in our hottest season with temperatures in excess of 110 degrees daily. This will continue through July. Our kids just suffered through an episode of the chicken pox but we are on the mend now. Pray as God provides for the needs of our children at Angels of Hope Children's Home.

Ekaterinberg Report by Igor

Thank you all for our new van. It is so much nicer than any we have had. We do get much better fuel mileage as well. Please pray for Natalie as she has left our ministry to care for her newly adopted children. Pray for me and my family as we experience this time of transition. We continue to visit a number of orphanages and elderly and telling them about Jesus!

Evelyn's Corner

"For God so loved..... Have you ever really thought about these words? For God so loved. He loved us so much even before we were born that He sent His only Son for us. He sent Jesus for everyone. Color, country, state, city, town didn't matter to Him.

I was reminded of this as I was the guest speaker at the Women's Conference in Ekaterinberg, Russia. He took hearts that were hurting and began a healing. The altar time was just awesome as God reached down and touched those that were hurting and poured His love in. I watched as God ministered to the ladies who came to the alters. God restored, healed, saved and blessed all who were in attendance. I praise God for the opportunity He gave me to share about His love and His plans for those ladies. I watched the ladies as they laid hands on each other and prayed earnestly for the needs of one another. What an awesome God!

God has wonderful plans for all of us. Sometimes things happen in our lives and those plans are pushed aside, but know God still has a plan. He can take every circumstance and make something beautiful out of it.

I praise God for each one of you. When you pray for us and give to the ministry of NHOM, you go with us to Russia, Ukraine, Sri Lanka and India. You were right there with me at the conference. You were there with us at the orphanages and the elderly homes. You are valuable to us and to God! God Bless you! He has a plan for you!

Perm Report by Galya & Natasha

It was good for all of our teams to get together and learn from each other and minister to all the kids together. We visit a number of orphanages each week as well as the elderly and handicapped. We love the opportunity that God has given us to work for NHOM and praise God for the vision to minister to widows and orphans.

Prayer Requests

1. Pray for the safety of our workers in Sri Lanka. Civil war and terrorists has devastated the area around Jaffna. People continue to flee the north country. Our workers have had to dodge bullets and bombs to get their jobs done. They desperately need us to intercede for them.
2. Pray for the work that is taking place in building a new church, Bible school and center in Sri Lanka for widows and their children.
3. Pray that God would grant traveling mercies for all of our teams as they encounter some of the vilest of road and trail conditions.
4. As prices continue to escalate at home and overseas pray that God would continue to provide for essentials in the need of our teams, orphanage and the ministry.
5. Pray that God would continue to give our teams in Russia & Ukraine favor with the orphanages, widows and elderly homes.
6. Pray for our teams in America, Russia, Ukraine, Sri Lanka and India and the hundreds of volunteers in these areas that help in this ministry. They are daily on the front lines of Spiritual warfare. They work tirelessly in some of the most extreme conditions with some of the most unlovely people and they do it with great joy.
7. Pray for finances to support the orphanage in India.
8. Pray for funds to build a building for our "Angels of Hope" orphanage in India.
9. Pray that God would raise up a leader to assist the Shane's in NHOM's development and future growth.
10. Pray for \$100,000 to build a building for our Angel's of Hope children's home in India.
