### Odessa, Ukraine

In my recent trip to Ukraine/Russia I had the privilege of visiting with and speaking to many of the Pastors in the Odessa region. Pastor Denis (seated immediately to my right) is the Pastor of the great church called "Central Church" in Odessa, Ukraine. His father, Pastor Peter, not pictured, was the pioneer of the Central Church during the old communist days.

Pastor Denis and the other Pastors are very open to our ministry to orphans and widows and we are blessed to have them as our friends. We work closely with them whenever possible.

### Orphanage in Odessa Region

This is just one of many orphanages in the Odessa Region. Viktoria and her team from the Central Church minister to thousands of orphans and elderly. They go, cut their hair, teach them about Jesus, teach them how to be Godly boys and girls and teens. They love on them daily as our outreach in Ukraine continues to grow. So many children just in this area, only God knows them all.

### Perm, Russia

In the years of Communism Perm, Russia played a key role. It was a closed city. That means that if you lived there you could not leave and if you didn't live there you could not visit. It was a city that made arms and ammunition as well as trained military men for war. But if you were a Russian during those terrible days of communism Perm had the reputation of what we called in the Western World "The Salt Mines of Siberia."

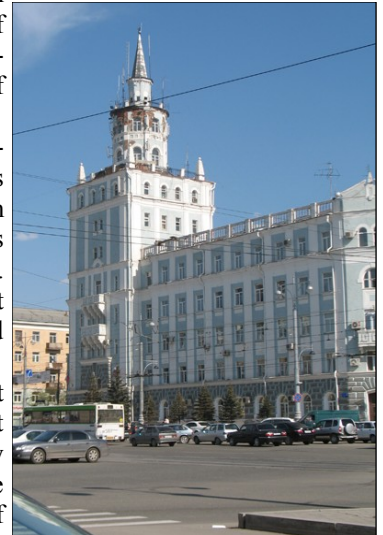

Stalin was guilty of murdering many millions of his own people and in the Perm Region the death toll was over 12 million people. Many were sent to the salt mines and starved or worked to death.

The picture on your right is a picture of a building that is right in the heart of the city of Perm. It is called by the local people "The Tower of Death." This is where many of those sentenced to the death camps would come to be processed and before they could even get to the salt mines they were murdered right here. Many Christians lost their lives because communism would not tolerate those who served any other God than communism.

At one time there were over 100 prison camps in the Perm Region and slave labor was quite common. I have been to many of these prisons and I have visited some of the historical sites where the salt mines are located and the devastation of what communism did to these people is still very real even today.

Why is it that so few people speak of the evil that exists in our world today? Why is there only a nominal voice speaking against sin? Our churches are not speaking about absolutes such as heaven and hell, good versus evil, God versus Satan. We are so busy trying to please everyone that we have forgotten the only one we need to please is God. Love God and love our neighbor as we love ourselves is the only commandment that Jesus gave all of us to do.

Evil is very real. We see it all the time in many of the orphanages and elderly homes we visit. God is also very real and truly He will overcome the evil in this world. If God be for us who can be against us?

**Real People You Help By Praying  
& Supporting NHOM**

This is usually my favorite page to present to you. It shows the many faces of just a small portion of the people that are assisted by your prayers and support. Over the years hundreds of thousands have been ministered to because you have caught the vision with us. Please help us to continue to help the helpless.

*Proverbs 31:8-9*  
*"Speak up for those who cannot speak for themselves; ensure justice for those being crushed. Yes, speak up for the poor and helpless, and see that they get justice."*

Please Help us to continue helping the widows and orphans that God leads us to.

### Sri Lanka

The war is ebbing and we would really like to complete our widow center that is located on our property in Sri Lanka. We need approximately \$10,000 for the complete project.

Now is the time for us to move on this project. If we don't do something soon the Hindu's and Muslims will take over with all there mysticism and pageantry and hatred towards Christians.

Folks this is a new war not against flesh and blood but against the evil rulers and authorities of the unseen world, against those mighty powers of darkness who rule this world; against wicked spirits in the heavenly realms. (Ephesians 6:12 NLT)

We need you to intercede for this project in ways maybe you haven't in the past. Give if you can but pray for victory.

### India

We have been given a piece of property with buildings on it but we are in desperate need for a water purifying system. We cannot drink the water. Is there someone out there that can donate \$1,000 to bring fresh water to our orphanage.

The children are in need of Christian reading materials and teaching supplies as well.

### Ekaterinberg, Russia

Igor and Olga have developed into quite a good team. They continue to develop their skills in ministering to the widows and orphans in their areas of ministry. Volunteers are necessary for the work we do and Igor trains them well for the work. Igor and Olga use skits, puppets, video, audio, teaching and preaching skills and whatever else to bring souls to the Kingdom of God. Pray for the work they are involved with.

*Standing on the bank of the Nile River in northern Ethiopia are the latest addition to the NHOM team. We have begun a widow and orphan center in this part of the world. On the far right in white shirt is our friend Pastor Ambelie Negash whose vision and help to establish this work has been a big blessing. All the children pictured are orphans and part of NHOM's family, your neighbors.*

### Ethiopia

We see scenes just like this in every nation we work. Homeless children, living and sleeping on the streets, begging, stealing, and doing whatever it takes just to survive. We at NHOM believe we can, with God's help, make a difference in many of their lives. Poverty should never be an excuse for sin. We need to work hard to help these. AIDS is a major problem with adults and youth. Rape and mutilation of little girls and teens is also very prevalent. Can you help? Yes, you can! Pray and support this work as we tear down the powers of darkness with God's help.

### Perm, Russia

Natasha and Olga are doing a powerful work in Perm. Visiting orphanages, elderly centers, children's prisons, drug rehab centers and tuberculosis hospitals for kids are daily routines for these faithful women. They are loved at every orphanage by the children and staff. They are deserving of our praise and prayer support.

### Odessa, Ukraine

Viktoria is a great blessing to NHOM and the work that is being done. She and her team of volunteers visit thousands of orphans to make their lives a little more tolerable in the orphanages. She is faithful and diligent in her work. She trains volunteers and has a heart bigger than anyone I know. She truly loves her work, the orphans and widows and her God.

### **Great Joy—Great Heartache**

These are just some of the emotions we feel as we visit the widows and orphans and see the plight they must face on a daily basis. However, there is very little that can prepare any of us at NHOM for what we see and experience at the handicapped orphanages and elderly homes we visit. There are never enough wheelchairs, walkers, workers, supplies or finances to help these that are so helpless. All of the pictures on this page are of those handicapped we work with but by no means does it reflect the numbers of kids and handicapped orphanages we help regularly. We visit them and do what we can to love them. We hold them, pray for them, laugh with them, cry with them and then we cry some more when we leave them. Come, go with us, help us, pray for us, provide for us to continue to reach out to these that even family have deserted. Without you we can't go!

### **Prayer Requests**

1. Pray for the safety of our workers in Sri Lanka. Civil war and terrorists has devastated the area around Jaffna. People continue to flee the north country. Our workers have had to dodge bullets and bombs to get their jobs done. They desperately need us to intercede for them.
2. Pray for funds for the work that is taking place in building a new church, Bible school and center in Sri Lanka for widows and their children.
3. Pray that God would grant traveling mercies for all of our teams as they encounter some of the vilest of road and trail conditions.
4. As prices continue to escalate at home and overseas pray that God would continue to provide for essentials in the need of our teams, orphanages and the NHOM ministry.
5. Pray that God would continue to give our teams in Russia & Ukraine favor with the orphanages, widows and elderly homes.
6. Pray for our teams in America, Russia, Ukraine, Sri Lanka, Ethiopia, and India and the hundreds of volunteers in these areas that help in this ministry. They are daily on the front lines of Spiritual warfare. They work tirelessly in some of the most extreme conditions with some of the most unlovely people and they do it with great joy.
7. Pray that God would raise up a leader to assist the Shane's in NHOM's development and future growth.
8. Pray for \$100,000 to build a building for our Angel's of Hope children's home in India.
9. Pray for Pastor Basil and his family that they might find a country where they can worship the Lord in peace and freedom.
10. Pray for our nation that we would return to the Lord with great repentance and for the revival that needs to take place.
