Preaching Ministry

God called me to preach His Word. Wherever we go this is an important part of the ministry of myself and NHOM International. With each message comes an altar call and I must tell you every altar call is filled with repentant sinners both Christian and non-Christian. I challenge each church in America and in the countries I work in with a powerful word from God.

I preached in the cities of Bahir Dar, Debre Tabor (a stronghold of Orthodoxy), Dangel, Finite Selam, Debre Marcos and finally Adama. Adama has 8 Christian churches and 35 Muslim mosques. The above picture is the altar call from Adama as hundreds came forward repenting of their sin. Each service where I have preached during 2012 has seen similar results. Altars full of repentant sinners and God moving mightily in our midst with signs and wonders following.

President Ayalew Gobezie

I want to introduce to you my friend President Ayalew Gobezie (picture on left). He is the President of the Amharic Region of Ethiopia. I met him in 2008 on a flight from Addis Ababa to Bahir Dar and our friendship grows throughout each year. He is a powerful dynamic and humble man who serves the people of Ethiopia. In a luncheon meeting I asked him what he wanted for his people and his reply was simply; "I want to eradicate poverty in Ethiopia." He has done a marvelous job in doing just that. I personally have seen tremendous changes in the Bahir Dar area and throughout the Amharic region. There are new roads being built. New Universities springing up in all the major cities. Living conditions are improving. There are smiles on the faces of the people. Though Ethiopia is a very poor nation with leaders such as President Gobezie the destiny of Ethiopia is even now changing.

Ethiopian Ethnic Day

The event is Ethiopian ethnic day which is a celebration of all the ethnic groups and tribes in Ethiopia. It was a breathtaking event. It was held in the new 50,000 seat soccer stadium in Bahir Dar and there were probably 75,000 in attendance.

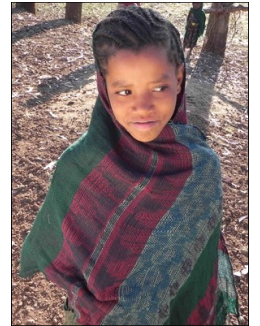

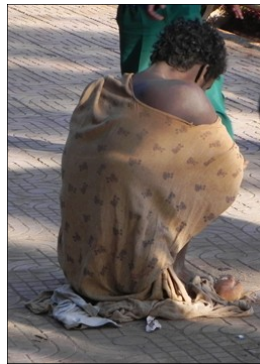

Each tribal and ethnic group had several representatives who paraded before President Gobezie and the new Prime Minister of Ethiopia, Haile Mariam Desalegne. Each group danced and marched in their traditional costumes and it was simply amazing. The theme from the Prime Minister was peace with the world and war on poverty. Earlier in another speech he declared to the people that he was a born again believer and that the people in the Orthodox church and the Protestants should work together to stamp out poverty.

The conclusion of the program was presented by over 1,000 children. The coordination of these kids as they marched in unison and performed for us was a spectacle to behold. What a privilege for me to see this. We were seated right beneath the podium of the Prime Minister and President Gobezie so we had one of the best seats in the house.

As I watched this magnificent parade of over 80 ethnic tribes of Ethiopia all dressed in their best tribal costumes I was thinking about another display of tribes that will take place at the throne of God.

Rev 7:9-10 9 After this I saw a vast crowd, too great to count, from every nation and tribe and people and language, standing in front of the throne and before the Lamb. They were clothed in white and held palm branches in their hands. 10 And they were shouting with a mighty shout, "Salvation comes from our God on the throne and from the Lamb!" NLT

Thank You all for your prayers and financial support. We couldn't do it without you.

Diversity of Ethiopia

Ethiopia is a beautiful and diverse country. There is so much to see in this country of 90 plus million people. I never get tired of taking pictures of the scenery, wildlife, birds and especially the people. God has granted NHOM International favor in this country and we will soon be building our New Hope Children's Village. Groundbreaking for this event should happen very soon and we are very excited. The pictures are as follows:

Perm, Russia

**Natasha & Tolik
Perm, Russia**

Natasha has been a busy lady. I had wanted to have her share at our NHOM International 15 year celebration but she said she would rather go to Ethiopia instead. She joined our group in Ethiopia in December and the Lord gave her blessings she could hardly contain. She was not prepared for what she saw and was overwhelmed on occasion by what God was doing. At one of the public schools where over 3,000 children swarmed us she tapped me on my shoulder and said she was afraid. I told her that these kids were just like the orphans she works with in Russia and as she overcame her fear she began to work with the children in the churches. Though she could not speak their language she did pour out love to them. They would flock to her as she passed out little stickers and they all received her hugs. Natasha has been a blessing to us for the over 6 years she has served the orphans in Perm, Russia region. The children love her and the team she has helped develop all respect her and bless the many thousands of children and elderly she works with.

Ekaterinberg, Russia

**Igor & Olga
Ekaterinberg, Russia**

We are sad to report that our Associate Pastor to our church, Pastor Yevginny has passed away. He was a great leader and personal friend. He leaves behind his wife Olga and one son. Though we know where and who he is with, yet we still miss him here. Pastor John Shane had asked him to serve communion for his American and Russian team on his last visit in May, 2012 and Pastor Yevginny blessed us all as he shared about the Bread of Life and the shed Blood of our Savior Jesus Christ. Pastor Yevginny was instrumental in setting up tent crusades throughout the Ekaterinberg region. He was a great preacher and loved to see souls saved. He was a real friend of NHOM International and all who knew him.

Our work goes on with the orphans and widows and we are thrilled to be able to serve the Lord helping those who cannot help themselves. Pray for our church during this difficult time of transition. We love

you all. Igor & Olga

Jaffna, Sri Lanka

**Madhu
Jaffna,
Sri Lanka**

In September 2012, Pastor John bought two goats for a widow. That same widow is holding the product of those two goats. A new baby kid. Pastor John asked us to name the first kid after him so we have called the kid, Johnny. It is the first of many for our widow. She is a Christian but needed to see a demonstration of faith. When Pastor John asked her what she needed to get on with her life she said that if she had two goats that would be the gift that would help her get her life

back together. She is a good woman and we know that she will do her very best.

Odessa, Ukraine

**Viktoria
Odessa,
Ukraine**

Viktoria was one of our guest speakers at NHOM International 15 year celebration. She blessed us with a song as well. Since returning home her comments are these; "Peace to you from the Lord and development in all areas of your life. I thank God for all of you and pray that God will give you the best of everything in the name of Jesus Christ. And we continue to work hard. I didn't think I would miss service so much during my absence. Now I am enjoying every moment of serving. Very much looking forward to using the flannel graph May God bless you and reward you in His mercy."

Widows Ministry, Ekaterinburg

**Dalarah
Ekaterinburg**

Each month we greet those with birthdays and make visits to those that are lonely and need fellowship. Not every widow has the same need so we try to develop ministry based on individual needs. We want to be a blessing to as many as we can. We have women who are helping children with speech problems and they volunteer their time to help develop the speech patterns of these children. We want every widow to be used in ministry work and application.

Bahir Dar, Ethiopia

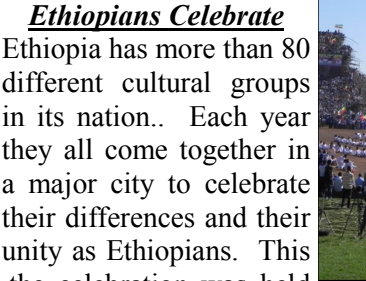

**Melaku
Ethiopia**

I have been so busy with NHOM International in trying to finish our NGO work that I barely have time to answer the call of God on my own life. I am a Evangelist called of God to train leaders of local churches through crusades, teaching, seminars, Bible schools and workshops. It has been my great privilege to help NHOM International and Pastor John set up and establish their work in Ethiopia. I believe the work is vital to help the helpless in my country. It is a unique work that is right at the heart of God.

NHOM Prayer Requests

1. Pray for the safety of our workers in Sri Lanka. The civil war has ended but the devastation and terrorist activities continue.
2. Pray that God would grant traveling mercies for all of our teams as they encounter some of the vilest road and trail conditions. Pray for the safety of our teams and volunteers because they are truly on the front lines of enemy territory.
4. Pray that God would use the message being preached by NHOM would stir the churches towards revival.
5. Pray for the financial needs of NHOM.
6. Pray for NHOM's Board of Directors.
7. Pray for NHOM's team leaders that God would grant them great grace and wisdom to continue there ministry.
8. Pray for open doors in all the countries we are involved with.
9. Pray for our nation that we would return to the Lord with a great repentance.
10. Pray that funds for newer vans and for the Sri Lanka widows center.
11. Pray for John and Evelyn that God would continue to give them strength for the task at hand.
12. Pray that the building project in Ethiopia would be completed on time.

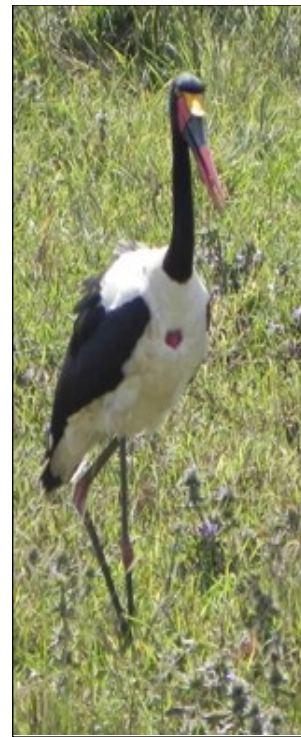

year 2012 the celebration was held in Bahir Dar. It was the first time it was ever held in this city and it really was a beautiful time. Pictured are just a few of the tribes and their cultural costumes. There were more than 70,000 people in attendance in the new soccer stadium near downtown. It was a joyous affair. Ethiopia has more than its share of problems but it is making great strides to correct some of the major areas of concern.

I am thrilled that NHOM International can play a small part in helping restore children and families through our thought out and planned approach in working with widows and orphans. Rescuing the helpless and hopeless and giving them a New Hope and an opportunity for a future.
